Re: Request for FDD Disclosure of the CPRIOA

Gentlemen:

On or about February 12, 2020, the CPRIOA sent you a formal request to be disclosed in the 2020 Cell Phone Repair Franchise Disclosure Document (FDD) pursuant to C.F.R. §436.5(t)(8). We did not receive any acknowledgement of our formal request, and we are advised that the CPRIOA is not disclosed in the current FDD.

The CPRIOA has recently become an affiliated chapter of the American Association of Franchisees and Dealers and our contact information has changed. ***We renew our formal request that CPRIOA's existence and contact information be disclosed in the Cell Phone Repair Franchise Disclosure Documents issued and/or published as of this date.***

CPRIOA is duly organized as a chapter of the American Association of Franchisees and Dealers (AAFD). The AAFD is approved as a 501(c)(6) tax-exempt trade association under federal law and is approved for similar status under California law. The Federal Trade Commission Report on its Amended Franchise Rule explicitly recognizes AAFD chapters as meeting the Amended Rule's requirements for mandatory disclosure. See Report at p. 15508, n. 648.
